Has your group visited the Museum before? \_\_\_\_

### **Please indicate what info your group requires:**

- \_\_\_ Menu (for overnight groups only)
- \_\_\_ Beach locations & Safety Rules
- \_\_\_ Map to Museum
- \_\_\_ Bus Driver Accommodations (is a list required for your driver?)

### **Please select one of the following options:**

- \_\_\_ **Day Trip** (3-5 hours)  
\$12.00 (out of province) or \$8 (NS school) + tax per student, chaperones are free  
Choose **one** field trip and **one** workshop
- \_\_\_ **Overnight 18 hour program** (7:00pm to 3:00 pm)  
\$50.00 + tax per person  
Meals included: Day 1- Evening Snack, Day 2- Breakfast, Lunch, and Snack  
Choose **one** field trip and **two** workshops

- \_\_\_ **Overnight 24 hour program** (1:00pm to 1:00pm)  
\$63.00 + tax per person  
Meals included: Day 1- Supper and Evening Snack, Day 2- Breakfast and Lunch

### **Field Trip Options:**

- \_\_\_ **Partridge Island – Minerals** (1 hour)  
Our most popular Day Trip option where students collect and identify minerals, and learn of the Mi'kmaq culture through the sharing of stories.
- \_\_\_ **East Bay** (1 hour)  
These dramatic rock formations are great for showing sedimentary structures such as ripple marks, plate tectonics, and possibly fossilization.
- \_\_\_ **Wasson Bluff** (2 hours)  
This site is a Special Place as designated by Nova Scotia and is where we find Canada's oldest dinosaurs. There are nearby rock formations that allow for mineral collecting and identification too.  
  
*\*Remember, all fossils are the property of Nova Scotia and cannot be collected without a permit.*

### **Workshop Options:**

- \_\_\_ Rock and Mineral Identification Card
- \_\_\_ Make a Fossil Cast
- \_\_\_ Testing Minerals

### **Overnight Options:**

- \_\_\_ Guided Hike
- \_\_\_ Marshmallow Roast
